## **EXECAL Platform:** access codes + profile

As an ECAL graduate, you are automatically registered in the Alumni Directory. Here are the instructions for **activating your account** by obtaining a temporary code, which you can then use to create or change your password. Starting from https://www.execal.ch/en/:

Click on LOGIN > No password or forgotten?
 Do not click on New member since you are already registered!

**2.** Enter your **PRIVATE email address** which is a username (please announce any change of private email address as you may not edit it yourself!):

Here is the standard message you should receive in your mailbox (check your Spams if necessary):

**4.** Copy and paste this temporary code into the **Code** field of the open window:

## 5. Click on MENU > My profile

- go down to PASSWORD > Edit to create or change it
- check and complete your personal data in MY PROFILE. In particular your *Map location* (to appear on the map) + *Profile picture* + *Preferences*:
